

# The Morse Telegraph Club

The Morse Telegraph Club was originally founded in 1942 as a non industry specific fraternal order of working and retired land line telegraph operators. Over the years it has morphed into a living history organization and still maintains local chapters in some places in both the US and Canada. It is now a 501c3 corporation and publishes a quarterly magazine, “Dots & Dashes”. Anyone with an interest in land line American Morse telegraphy is welcomed and encouraged to join. The club has a web site at: <http://www.morsetelegraphclub.com/> or scan the QR code below:
